JOIN US FEBRUARY 28TH AT 3PM

SAN LUIS VALLEY REC (SLVREC) 3625 US-160, MONTE VISTA, CO

RSVP to Emily Richardson: emily@cocleanenergyfund.com or 720-263-2313 Refreshments and giveaways available on site.

WHAT IS ON-BILL REPAYMENT (OBR)?

OBR is a financing product offered by SLVREC allowing a member to finance the entire cost of a project through their electric account.

- + Customer eligibility is based on utility bill pay history not credit, so more of your customers will qualify
- + No dealer fees or hidden costs. contractors just have to complete the 3-step process
- + Interest rates range from 4%-5% and length of term is from 3-10 years
- + Payment is quick and provided by the utility program not the customer - i.e. no worry about lack or delayed payment

LEVERAGE PROJECT INCENTIVES

OBR can be paired with utility rebates, state/ federal tax credits. and other incentives.

- + Stackable air-source heat pump rebates can top \$6000 on a 5-ton unit
- + Heat pump water heater incentives can top \$2800
- + As a Trade Ally you are eligible for incentives from \$100-\$450 per measure type on top of consumer rebates

Learn how you could be making \$100 to \$450 per qualified install

Join our Trade Ally Program and become eligible to offer an on-bill repayment option to your customers in SLVREC's service territory. On-Bill Repayment is a new financing program designed to make home energy upgrades affordable through low-interest financing. Only registered contractors can offer the financing and receive Trade Ally incentives.

Hosted in partnership with SLVREC's wholesale power supplier Tri-State G&T and Colorado Clean Energy Fund (CCEF).

THREE STEPS TO PARTICIPATE:

- 1. Complete our program application online or in person at our Trade Ally Incentive program workshop
- 2. Bring W-9 and insurance information (digital or physical accepted) to enroll day of the event
- 3. Attend program training

IN THE SESSION YOU WILL:

- Learn about our On-Bill Repayment program +
- Learn about eligible measures and product requirements +
- + Learn about Zero Home's fully scoped job network
- Understand how to submit a project for funding, + get paid for a job and receive bonus incentives
- + Potentially leave this training session fully authorized to accept OBR projects and be on the recommended contractor list
